

MONDAY GUITAR CLUB

**Tuition is \$80 per month
plus a one time \$30 registration fee**

Mr. Marcus: jmarcus@bengamlacharter.org

Students and parents should be aware that guitar is a time intensive skill that requires practice, a love of music. Students should dedicate a half hour a day for practice.

Students are responsible for their own guitars and those guitars must be brought every Monday morning so I can tune those guitars.

Average Age	Height of Player	Guitar Size
2-5 years old	3'3" to 3'9"	1/4-Size
5-8 years old	3'10" to 4'5"	1/2-Size
8-12 years old	4'6" to 4'11"	3/4-Size
12-Adult	5' or taller	4/4-Size

There is a minimum of 5 students and a maximum of 10, so enroll fast.

If your child does not own or have access to a guitar, check the size chart and look for a "beginners guitar kit." Amazon has some fairly highly rated kits for as low as \$55. Guitar Center is a little more expensive but a musician can make sure your child gets a properly sized guitar.
